TO: Plan-holders
FROM: James Walters
Procurement Officer
DATE: July 3, 2019
REF: ADDENDUM #3 for Bid # 19-072 Navarre Bayside Park Phase 1

The following clarifications, amendments, additions, deletions, revisions and modifications form a part of the contract documents and change the original documents in the manner and to the extent stated.

1. Can the geotechnical report be issued?

A copy of the geotechnical report is attached to this addendum.

2. Does the total on the bid form have to equal the total bid?

The bid form is provided to provide a basis for change orders and is not to be used as a bid tabulation or for overruns or underruns.

3. Where should items go that are not included on the bid form?"

Items that are not on the bid form are either included in the line item costs provided or not to be provided.

4. The other two questions are somewhat addressed... It is clear that it is a lump sum bid and we have to turn in the schedule of values. If we have any quantity variation, we need to report it prior to the bid but these two questions are from the prebid.

Please report any significant quantity variations prior to the bid.

5. In the meeting we were told that the bid form did not have to total the bid but I haven't seen that in writing which would be helpful.

The bid form does not need to equal the total of the lump sum bid.

CLARIFICATION

1. The hot water heaters are to be 208V SINGLE PHASE, not 3-phase as previously reported.
2. The allowance for removing the turtles from the existing ponds will be \$8,000.00

This Addendum is furnished to all known prospective Proposers. Please sign and include one copy of this Addendum, with original signature, with your proposal as an acknowledgement of your having received same. You may photocopy for your records.
