Attachment L8 – Quality and Satisfaction Survey

We are in the process of competitively selecting a source for a MACC program.

One of the considerations in proposal evaluation is the verification of the offerors' past performance on contracts or other work efforts which reflect the offeror's ability to perform on the proposed effort. We depend on information received from organizations such as yours, which have had first-hand experience with the offeror, for the evaluation of the offeror's performance on those contracts or work efforts.

Our areas of interest regarding the offeror are summarized in the enclosed questionnaire. In order to meet the acquisition milestones, we request your written response no later than 7 calendar days after your receipt of this letter. This schedule will allow us sufficient time to analyze the data for our source selection.

To assist you in preparing your response and expediting your reply, the questionnaire may be filled out electronically and e-mailed to Elona Jarrell at elona.jarrell.1@us.af.mil or hand and mailed to the address below.
