Assessment	Definition
Substantial Confidence (SC)	Based on the Offeror's recent/relevant performance record, this customer has a high expectation that the Offeror will successfully perform the required effort for us again.
Satisfactory Confidence (SAT)	Based on the Offeror's recent/relevant performance record, this customer has a reasonable expectation that the Offeror will successfully perform the required effort for us again.
Limited Confidence (LC)	Based on the Offeror's recent/relevant performance record, this customer has a low expectation that the Offeror will successfully perform the required effort for us again.
No Confidence (NC)	Based on the Offeror's recent/relevant performance record, this customer has no expectation that the Offeror will successfully perform the required effort for us again.
Unknown Confidence (Neutral) (UC)	No recent/relevant performance record is available or the Offeror's performance record is so sparse that no meaningful confidence assessment rating can be reasonably assigned.

Based upon the assessment definitions above, indicate your assessment of the contractor's performance on your contract described on Attachment A. Your assessment should consider the contractor's performance in accordance with the contractual requirements. Circle all that apply.
