The Air Force Test Center, 96<sup>th</sup> Test Wing, Eglin Air Force Base (AFB) Florida is in source selection to select a Contractor for Renovate Building 600 (FTFA 12-1069), Eglin AFB under Solicitation FA2823-22-R-0010.

One of the considerations in proposal evaluation is the verification of the Offeror's past and current performance on contracts which reflect the Offeror's ability to perform on the proposed effort. We depend on information received from agencies such as yours, which have had firsthand experience with an Offeror, for the evaluation of the Offeror's performance on those contracts.

Our areas of interest in the Offeror are summarized in the attached questionnaire. Our schedule is extremely tight and we need your written response within 7 business days. This schedule will allow us sufficient time to analyze the data.

To assist you in preparing your response and expediting your reply, the Government is requesting that a copy of the questionnaire ***be provided to the offeror*** to be included in their proposal, and may be filled and sent directly to the Attention of Nathan McMillen/Contracting Officer by email to [nathan.mcmillen.1@us.af.mil](mailto:nathan.mcmillen.1@us.af.mil). Your completed questionnaire will become a part of the official source selection records.

Your assistance is greatly appreciated, and your prompt response will be important to the successful and timely completion of this source selection.
