

SOLICITATION W50S6Y-25-B-A004 Combine Weapons Fac- LSGA239001

Addendum 01 Q&A

Date: 2/28/2025

Questions 1:

Please consider an online submission method either via email, DoD safe, or PIEE to help alleviate extra costs on small contractors that are based outside of Florida.

R: An IFB is designed as a “public Bid Opening” If any Prime GC wishes to mail there “bid documents” and not attend in person, they are responsible to ensure it arrives prior to Date/Time of bid opening to be considered on time. Mail to: 125th FW/MSC, Attn: Contracting Office-W50S6Y25BA004, 14300 Fang Drive, Jacksonville IAP, FL 32218-7933

Question 2:

Ref. Specification Section 01 35 26, 1.6.1.2: Can Superintendent also function as SSHO or QC Manager?

R: Government finds efficiency when GC has three main positions on-site and is preferred, but to answer the question, the Superintendent cannot also be QC

Questions 3:

Ref. Specification Section 01 50 00, 2.2.B: Do we need to provide a separate field office for Architect / Owner? This is a very tight site. Please clarify a suitable location for field office and laydown area for this project. For bidding purposes, subcontractors will need to know prior to bid date the proximity of laydown area to job site.

R: 2.2B is not indicating a separate facility, just appropriately sized for Joint use for meetings is intent,

See Pre-Bid slides for laydown

Questions 4:

Ref. Solicitation, Box 11, Solicitation Section 52.211-10 and Specification Section 00 21 13, 1.1: Box 11 of Solicitation states a Period of Performance of 720 calendar days and the other sections states 540 calendar days. Please clarify which is correct.

R: 720 day is POP, SF1442 Box 11 takes precedence

Question 5:

Ref. S-001: Please provide Terracon’s Geotechnical Investigation Report

R: See attached Geotechnical report

Question 6:

Ref. CD101, Note 5: Please provide asbestos/lead paint surveys for buildings to be demolished.

R: See attached asbestos/lead paint surveys
